

Actaprint is a company that supplies a wide range of products to the healthcare market. We have a range of products held in stock and make labels forms and specimen transport bags to order when required.

Whether you need a stock product or bespoke modification we aim to offer the most competitive prices available.

We supply many of the U.K.'s NHS Trusts and our Customers include:

- Guys and St Thomas NHS Trust
- Kings College Hospital NHS Trust
- Barts and The London NHS Trust
- North West London Hospitals NHS Trust
- The Royal Berkshire NHS Foundation Trust
- The Pathology Partnership
- The Doctors Laboratory
